Hey Toby,

If Dan agrees that they look good, would it be possible for you to forward my original email to Lu-Ann/the contractor so that it doesn't seem like I am directing the contractor?

Thanks!
Julia

Hi Toby/Dan,

I put together the attached document so that all of our suggested internet updates are consolidated in one place. If you both agree with the updates, I think it is ready to be forwarded to Lu-Ann so that the contractors can update the sites.

Thanks and let me know about any edits.

Best,

JULIA M. NAGY
